## WILLIAMSTOWN.

Death of Mrs. A. Smith Martin at the Age of 89 Years.

The widow of the late A. Smith Martin died Thursday night at the home of her only son, Edson S. Martin, at the age of 89 years. She was a daughter of the late Wells Davis. Mrs. Martin has for many years been a resident of the place and by common consent, we think, has been regarded one of the best women of our town. Both Mrs. Martin and her husband were for years very prominently identified with the M. E. church here and were among its most active and consistent members, universally respected and beloved. For many years now she has in her quiet life been a help to the church and all that it stands for has never failed. To all who have ever known this worthy woman, her memory will be a blessed one. A son survives her.

Mrs. James Kanaly, now of Montpelier, was in town Friday.

The Kenyon store in our new grange block, it is said, will be opened about the first of September.

A nine-pound daughter was born on Thursday to Henry and Mrs. Bessie Hayward Holt, living in the Charles R. Benedict house.

Mrs. Ellen Bruce Harrington, now of Springfield, Mass., has been here, visiting her sister, Mrs. T. D. Poland. She was accompanied by her daughter, Sarah.

Don A. Earle and wife were in town over Friday night. They came to Vermont to attend the funeral of Mr. Earle's sister, Mrs. Lizzie Earle Goodwin.

Two daughters of Mrs. Myrtle Kathas Donaldson of Windsor are just completing a visit with Mrs. T. D. Poland, an aunt of their mother, to return at once to Windsor.

Frank H. Martin, son of the late Ophir S. Martin and an astrophysics student at Kirksville, Mo., came here this week to remain a few weeks to attend to business affairs.

At the Congregational church Sunday morning, the pastor will speak on "The Meaning of Spiritual Enlightenment." There will be a union service in the evening at 7:30; subject of discourse, "The Starting-point of Duty."

## GARMENT DEPARTMENT

This department is where you can save lots of your money, if you have it to invest at this time of the year. Styles for fall will be almost identical with our present stock, and the only reason that we have for taking such a large loss is that we are bound to show you a different garment each season. This keeps us at the head of the garment business in Vermont. We have to be more particular than large stores in large cities, for there the trade is more transient and will take older styles.

All of our Colored Wool Suits, made for us by best tailors from personally selected cloths, are now selling at half price. This means just what it says—a \$25.00 Suit for \$12.50 and \$12.50 Suits for \$6.25. Considering that they are the latest that new Suits come later, they are great trades. Think it over.

We are making a big cut on all White Muslin Waists; yes, selling these at less than cost to close at once. \$1.50 Waists for 98c, add 2c on through the line.

In New Idea Patterns we have initials and assorted patterns for transfer work of nearly all kinds. Do you know what these are? If not ask to see them on our pattern counter.

## BOYS SPANKED IN PUBLIC.

Man Going to Appear Against Them Falls Dead.

Claremont, N. H., Aug. 6.—Public spanking by parents took the place of a sentence to the industrial school, given two boys in court Thursday, charged with taking packages of tobacco from the store of Louis A. Bean, a blind man.

The affair was not all comedy, for when Mr. Bean was notified to appear at court to testify against the boys, he started on the way from his grocery store at the lower village, got as far as the store occupied by Mr. Bartlett on Main street and dropped dead. He had heart disease, and it is thought the excitement was too much for him.

Thursday night the boys who stole the tobacco went into the store and asked for a yeast cake, and when Mr. Bean went for it downstairs they took the tobacco and slipped out. Mr. Bean recognized their voices and had officer Whitney hunt up the case.
